GAVIOLI
CANTINIERI DAL

Gavioli Sparkling Grape Juices are made with Trebbiano, Malvasia & Lambrusco grapes that are harvested in September. After harvest, the grapes go through a soft crushing, draining, cooling, cleaning and storage of the grape must in sterilized tanks. Natural fermentation of the grape must is obtained through the Charmat method, in which the must undergoes a secondary fermentation in large stainless tanks rather than individual bottles, and is bottled under pressure in a continuous process. The bouquet is fresh and fruity with a well-balanced, sweet and velvety taste.

Gavioli Sparkling Grape Juices are delicate, non-alcoholic drinks made from freshly pressed grapes and only natural flavorings. They contain *no added sugar* or concentrates and *no artificial coloring*. These soft and refreshing drinks are ideal for parties, holidays & family celebrations. Serve chilled.
